Three Brothers Meet After Three Years

Pilot Officer Harold Merritt, recently returned from overseas, and his two brothers, L.A.C. Donald Merritt and Pte. Ivan Merritt, met recently at the home of their parents, Mr. and Mrs. Spencer Merritt, Robinson Street South, for the first time in three years. P.O. Merritt went overseas as an L.A.C. in February, 1943. In England he remustered for aircrew and earned a flight engineer's wing. As a member of the Lions Squadron, he completed a tour of operations and was awarded the gold operational

wing. He made 19 bombing raids over Germany, including four on Berlin, and 11 over targets in France. Over the Ruhr valley and other "hot spots," his plane was holed by flak on many occasions and on one trip it returned to its home field with one engine on fire. After completing his tour of operations he was severely injured in a motorcycle accident in England. L.A.C. Donald Merritt is stationed at Summerside, P.E.I., and Pte. Ivan Merritt is attached to the Technical Training Corps of the army, at present stationed at Montreal.

At The COUNTY FAIR

Observations At Beamsville

Biggest and best that Beamsville has had in many a year.

Crowns. Music. Hot dogs. Short on booths but blame the war. None of the goodies of other days on sale on account of sugar shortage. There will come a joyous day again.

Tod Daley, Lincoln's M.P.P. and Ontario Minister of Labor, opened the fair. One minute's silence was observed for the late Wm. Jerome and the Beamsville and Clinton boys who have given their all in the war.

Killed In Action

Lance-Cpl. Reginald Dingman, 3rd son of Mr. and Mrs. William A. Dingman, Grimsby Beach, was killed in action in Italy on September 20, according to official notification received by his parents Thursday. He was wounded in action on December 28th, 1943, and had rejoined his unit some

time ago. He enlisted four years and seven months ago and went overseas with the Hastings and Prince Edward Regiment. Overseas, he was transferred to the Royal Hamilton Light Infantry (W.R.), and after serving with that unit for over a year went to the 48th Highlanders with reinforcements. His father, a veteran of the last war, was with the Veterans' Guard for some time in the present war. A brother, Gar. Wilbert Dingman, is overseas. Another brother, Spr. Lawrence Dingman, was overseas, but has returned to Canada and is at present on duty in north Ontario with the Veterans' Guard.

"Cammy" Needs A Lot Of Money

Cigarette Fund Only Got \$30 In September — Christmas Is Coming And The Boys Need Cigarettes.

We all know that "Cammy" Millard has to put his hat on every time he washes his face, to keep from washing his bald head, but as long as The Independent has known "Cammy", it has never seen his face so long drawn, as it was last Thursday afternoon, when he walked in the Sanctum and laid down the September statement of the Cigarette Fund—Thirty measly dollars.

Now 30 bucks is not going to buy many cigarettes, and reports from the boys over there, it is cigarettes that they want.

"Cammy" had a right to feel in the dumps when he came in this office. He has still his October shipment to make and then his big shipment in November—the Christmas shipment. He will make those shipments, no doubt about it, because he, like The Independent, believes that the people of the town and township will see that he does, but it is the dollar on the line that counts.

Folks, shoot your coppers, nickels, dimes and dollars into the fund TODAY. Don't let Grimsby fall down.

"Cammy's" statement for September is:

We Are Sorry

We know our readers will bear with us this week. We know this is not a good paper, other than from an advertising standpoint, but we just could not do anything about it.

What with business negotiations that had us surrounded with auditors, lawyers and bankers we lost a lot of time. Then the Thanksgiving holidays did not help matters any. We really should have been 11 pages, but it was just an impossibility to produce those extra four pages.

Grimsby And North Grimsby Distribution Centre Is West Public School — Other Distributing Centres Are Located.

VOLUNTEER HELP

Citizens Must Follow Instructions Or They Will Cause Themselves A Lot Of Inconvenience — Read Instructions Thoroughly.

Arrangements for the distribution of the new Ration Book No. 5, are practically complete, reports Mayor Edric S. Johnson, Chairman of the Local Ration Board.

In Grimsby the books for the town and township will be distributed at the West Public School, on Saturday, October 21st from 10 a.m. to 2 p.m.

The large staff of volunteer workers that will be required to handle the job will again be under the supervision of James G. McIntosh and Burton Bentley and they earnestly ask that the general public follow out the instructions as laid down and thus help to stop confusion and minimize the amount of labor required to distribute the large number of books issued in these two municipalities.

The distribution centre in Grimsby and at all other points in the district, will be open for one day only. If you fail to get your (Continued on page 7)

Pheasant Hunters Require License

Hunters will be allowed to shoot pheasants in Lincoln county on Friday and Saturday, October 20th and 21st and Wednesday, October 25th. The hours of shooting will be between eight a.m. and 5.30 p.m. The bag limit is three cock birds per day.

All persons must have a license to hunt and these are obtainable from Reeve Charles W. Durham, at his home at Grimsby Beach. Non-resident gun license is \$1.00. Resident license 25 cents.

Applicants for license must present their Provincial gun license, issued by the Department of Game and Fisheries, before they can obtain a township license. Rabbits may also be taken on a township license.

MOORE'S THEATRE SOLD; VILLAGE INN PURCHASED

THE INDEPENDENT HAS NEW OWNERS

Over the Thanksgiving weekend, Lincoln County's greatest weekly changed hands again. This time to two Grimsby boys who were born, raised and educated in the Old Town.

As of October 1st, Grimsby Independent Publishing Limited ceased to be the active owners and operators of The Independent, having been purchased by James Orion Livingston and Wilfred Morris Lawson, who for the past 23 months have been the active heads of the publishing company.

The new firm will operate under the name of The Grimsby Independent, Livingston and Lawson Publishers. All accounts owing by the old company will be paid by that company and all accounts receivable to that company will be accepted at The Independent office and credited to their account in The Canadian Bank of Commerce.

There is not much that can be said for the new owners of the paper and its plant. Both are well known in the district, but for the benefit of citizens who have come into our midst in the later years, we will give you (Continued on page 7)

Mayor Johnson Breaks News To Council, After Many Rumour Rife Days — Richard And "Buddy" Shafer Take Over Palatial Hostelry Toronto Man Gets Show House.

NEW MILK BYLAW

Town Council Refuses Permit For House On Rear Part Of Anderson Property — All Street Lights To Be Turned On — Refunds Due From Hydro.

Mayor Johnson at town council last night set at rest for all time to come, as to who owned the Village Inn and as to whether Mrs. Bessie K. Moore has disposed of Moore's theatre.

After the reading of the minutes and the hearing of a deputation His Worship informed council, who sat spell-bound, that he had been advised by Mrs. Moore that she had disposed of the theatre to a Toronto man and that her daughter and son-in-law, Richard and "Buddy" Shafer were taking over the Village Inn.

His Worship expressed in a few words the feelings of himself and council toward Mrs. Moore, who has been an exemplary citizen and who at all times has been to the forefront in all activities for the betterment of the town.

Mrs. Edward Hand appeared before council regarding sanitary conditions at the lake owing to a bank of sand that has built up during the past summer, and is now holding the creek water back, thus causing stagnation and a bad odor. Council will investigate the matter.

An application for a building permit for a new house to be erected on the back end of the Anderson property on Main street was received. This house would have no frontage on Main street or any other street that sewage and water connections could be made from. In fact there is no ingress or egress to the house from Main street except over a granted right-of-way down the present lane. Permit was refused.

The amended Milk Bylaw was given the necessary three readings and passed by council.

Mr. Dawson of Stoney Creek who made an application for a license to deliver milk in Grimsby at September meeting, made a re-application which will be sent to (Continued on page 5)

Opens Term As Adv. Club Prexy

Wm. A. Hewson Addresses His Colleagues At First Meeting Of Hamilton Club — A 17 Year Member.

At the first meeting of the fall and winter term of the Hamilton Advertising and Sales Club, last week, Wm. A. Hewson, of Grimsby, President of the club, made the following brief address to his colleagues:

"I consider it an outstanding honour and the highlight in my comparatively short career to become President of an organization with such an enviable record as that of the Advertising and Sales Club of Hamilton."

"During my seventeen years as a member, I have greatly enjoyed and deeply appreciated the good fellowship which exists so abundantly in our Club. It is my earnest desire that, during my term of office, this friendly spirit and the high standards achieved by my predecessors will be maintained, and I pledge my best efforts and ask your co-operation to this end."

"It would appear that Victory lies within our grasp in Europe. Let us pray then, it may be ours in the near future and that the ending of hostilities will see the early return to our midst of our fellow Ad Clubbers who are now in the armed services. May we ever be mindful of those who have made the supreme sacrifice and thus contributed to a victory which we hope, may rid the world of war and the greed for power."

"There's a job to finish! Let's keep our shoulders to the wheel until 'V' Day!"

REVIEW OF ACCOMPLISHMENTS OF NEW MEMORIAL HOSPITAL

Went On Mission Never To Return

P.O. Elvin Todd Reported Missing In June, Now Reported By Red Cross "Believed Dead."

Note: The following article from the Sudbury Star will be of interest to many Grimsby residents, as the subject of the story is the grandson of Deputy-Reeve and Mrs. George Crittenden, Grimsby Beach. — Ed.

Previously reported missing in action, P.O. Elvin Todd is now believed to have been killed in action on June 13. Word to this effect has been received by his parents, Mr. and Mrs. J. A. Todd, of Waverly Lodge, French River, formerly of 240 Cedar St., from the International Red Cross.

Praise for the 23-year-old airman is expressed in a letter written to the boy's mother, from the R.C.A.F. chaplain, after P.O. Todd was reported missing. He wrote: "I saw the crew and their aircraft just before take-off and I should like you to know that they went on their mission with all their customary steadiness and good spirits. They knew, as do all our boys, that their work, successfully carried out, could be the means of saving (Continued on page 7)

Making Changes At County Jail

Will Use 90 Cubic Yards Of Concrete To Lay Floor In Cell Corridor — Other Improvements.

A temporary light wire fence is to be erected along the Page street side of the grounds of the Lincoln County Jail. The general administration committee of the county council last week authorized the purchase of fencing.

Heavy wire fence designed to enclose the prisoners is difficult to secure, and the light fence is not intended for this purpose. The old fence is broken and pedestrians are using the jail property as a thoroughfare from Page to Niagara Street. The light fence will be erected to keep them out until heavier wire is available next year.

Final details were settled on removing the wooden floors from No. 2 corridor at the jail, dumping in about 90 cubic yards of fill, and laying a concrete floor in the cells and corridor. Some months ago tenders were called for the job, but they were considered too expensive. The work is to be done more cheaply by the county engineer's department with the assistance of jail labor.

It was decided to purchase a new machine to scrub and wax floors of county buildings.

Property Valued at \$20,000.00 — Cash, Bonds And Pledges Make Up Another \$31,000.00 — Furnishings, Etc. \$1,200.00 — One Hurdle To Jump Yet.

From time to time the Independent has brought to its readers progress reports regarding the West Lincoln Memorial Hospital, and now that this project is entering its final stage, a short review of what has been accomplished might be in order.

While the need became evident some twenty months ago, it was about a year ago when a definite arrangement was arrived at, and the committee in charge of the enterprise began piecing together the many parts to launch this enterprise.

Today the Hospital owns in its own right property, conservatively estimated to be worth \$20,000.00. Cash, bonds, pledges and promises are valued at thirty odd thousand dollars. Furnishings, including furniture, dishes, refrigerators and Hospital equipment etc., are valued at twelve hundred dollars.

The Hospital has been approved by Order in Council in Ontario, and also has been certified by the Department of Pensions and Health, Ottawa. The layout of (Continued on page 7)

Brought Ponies To Fruit Belt

P. S. and Mrs. Benn Visiting With Old Friends — Celebrated 86th Birthday On Wednesday.

Very welcome visitors to Grimsby this week are Mr. and Mrs. P. S. Benn, of Waterford, former residents of North Grimsby.

"P. S. on Wednesday celebrated his 86th birthday by visiting a large number of his old cronies throughout the town. While not taking part in any baseball games like he did when over a half century ago, he is still mighty active and his other faculties are razor edge keen.

Mr. and Mrs. Benn came to Grimsby in 1907 and fruit farmed on the farm now owned by John Millar on No. 8 Highway east. It was to this farm that Mr. Benn brought two small ponies and for many years worked the acres with these miniature horses most successfully.

Selling out in 1939 "P. S." and Mrs. Benn moved from our midst and it was good to see them once again.

FACTS & FANCIES

Frank Fairborn, Jr.

ZOMBIES—I HATE THEM

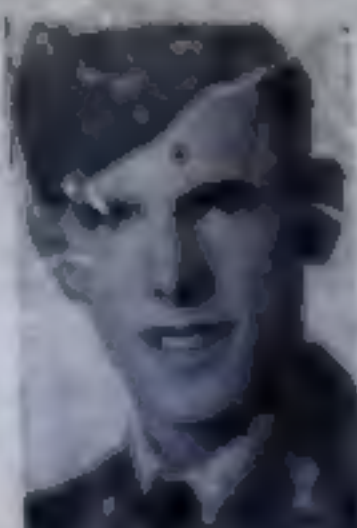

Did you read carefully the front page of last week's Independent?

It told you in cold hard type that "Cap" Foster had gotten "sweet revenge"; that Hugh Anderson was "reported missing"; and later safe, thank God; that "Gamecock" Warner had been a prisoner and then escaped; that Harold Hyvens, a soldier son of a soldier father, had been wounded; that Charlie Mason's son "Bobbie" had been wounded for the second time.

It told you that Councilor Henry Bull's son, Eric, that wee little mite Barbara Murdoch had been promoted to Leading Airwoman, while her brother fights the good fight in Italy; that Lieut. "Hank" Loud had been wounded in Belgium while fighting with the American army; that Pte. Jack Jones was in an English hospital recovering from wounds; that 185 good Grimsby, Beamsville and Smithville citizens had given their blood that the fighting man should live.

It also told you that Pte. Ralph Byford had given to his King and Country everything that he could give—His Life. He gave it cheerfully, willingly. A kid 19 years old with more love of his Empire in his heart than Mackenzie King ever thought of having.

Why should Grimsby boys fight on the land, in the air and on the stormy seas and 100,000 Zombies—King's pets, live the life of Reilly in Canadian camps. I am behind Halsey and his Victory Loan to the last dollar that is in the Fruit Belt, because we are into this thing and we have to go through. But I cannot see why the citizens of this town and township and all the other towns and townships in Canada, should be paying 150 million dollars a year to keep a lot of lazy, loafing Zombies.

Major Connie Smythe put King and Ralston on the spot when he told about green troops being shoved into the front line. After the little hockey magnate spoke his piece and was backed up by Col. George Drew, it did not take Ralston long to make an electioneering trip to Italy, at the public's expense.

"Bud" Byford. The kid was walking the streets of Grimsby in June. He is killed in action in September. He was trained in this country as an anti-aircraft gunner—and that training is not one, two, three with the English training—but he goes into the Western Front as an infantry man. Don't let no man tell me, Ralston or King, or anybody else, that that boy was anything but a green trooper. Just another sacrifice on the altar of personal politics.

Little "Bud" Byford is not the only Grimsby boy that has been shot overseas and thrown into the thick of battle, as a green hand. Three months ago I told you about the boy being sent overseas that had only been in the army six months. I can tell you about a soldier that is now fighting in Belgium, in an infantry outfit, that was only in England five weeks. All the training he ever got in Canada was his basic, unless you call sitting around a quartermaster's stores, training.

There is many a mother, wife, sister and sweetheart in this country with a broken heart because their sons, their husbands, their brothers and their lovers, have paid the supreme sacrifice because Bill King would not send 100,000 Zombie voters across the pond.

God Himself knows, that the people of

They're TALKING ABOUT . . . a Ten-Cent Dollar!

They speak of it glibly...but what does it mean? It means that every pay-day if your boss paid you in crisp new one-dollar bills each of them would buy only a measly ten-cents' worth of goods. All those savings you've made with ten dimes to a dollar would shrink to the size of one. That's inflation! So were lucky in Canada that price ceilings and other anti-inflationary measures have kept our dollar value HIGH. In fact, a dollar goes further to-day...it buys more goods than the dollar of 1918. Look at these prices, a pound of cocoa to-day compared to the it was then. The same quality towels now, were then. Yes, we get a good dollar's worth to-day. And remember—you protect your dollar value when you refuse to pay more than the ceiling price...denounce black markets...buy Victory Bonds...save...pay off debts and help keep the cost of living down!

Make This
Pledge
Today!

I promise to give my support to keeping the cost of living down. I will buy only what I need. I will observe the ceiling whether buying or selling goods or services. I will pay off old debts, save for the future, invest in Victory Bonds and War Savings Certificates. And I will support taxes which help lower the cost of living.

Keep Your Dollar Value High!

Published by THE BREWING INDUSTRY (ONTARIO) to help reveal the dangers that inflation represents for all the people of the Nation.

RATION ADMINISTRATION

THE WARTIME PRICES AND TRADE BOARD

Canada had enough heartbreaks with Hong Kong. Why multiply it, because of one man's personal political aggrandisement.

Grimsby boys will fight and die, because they love their town, their county, their province, their country and their Empire. But there will come a day that Bill King will rue the fact that Grimsby boys fought and died and 100,000 Zombies strutted the streets, like peacocks, on the people's heartbreaks and dollars.

If you think that I am wrong in my stand regarding the Zombies, read what the most influential newspaper in Canada has to say:

The Financial Post is informed that two battalions of "zombies"—probably 1,500 or 1,600 men—are needlessly spreading their time guarding the Hydro power plant at Niagara Falls.

At the same time, Ontario's HEPC and other corporations are badly handicapped for men and similar workers needed badly to maintain essential power services.

Does such a policy make any sense under present conditions?

Hydro officials reportedly see no reason for maintaining this guard; would much rather call the whole thing off and have the men made available for the much more essential work of looking after lines and keeping the property in first-class operating condition. A much simpler guard system is regarded as entirely adequate.

Ottawa refusal to deal with this matter can only be attributed to unwillingness to admit its mistake and retrace its steps. Were the government to make public the purposes for which zombie troops are being used (as at Niagara) the whole policy would be quickly exposed as a sham and mockery of effective, commonsense man-power usage.

NO MORE RUNS?

Whoever still thinks it is a man's world hasn't read about the new process discovered by a chemical lab at York which impregnates stocking fibers with a plastic that resists heat, water, and most chemicals—and, best of all, does away forever with that bane of womankind—the run in the stockings.

Office managers can now let the wooden chairs for the stenographers grow rough along the edge with a clear conscience. Girls can wind a carefree leg around the old bentwood again. They can bend a carefree knee to dust under the davenport without a worry. They can play with the kitten and smile when somebody cries, "Look out, he'll catch your stocking!"

What a free world it is going to be for women!

BEAMSVILLE FAIR
Boys Re-union shows, still on the job doing his bit.

Jack Kennedy, Esq. busy as a hornet handling Robinson's Baby Show and the Dymond Beauty Show. Old Timers never die.

Billy Fairbrother, the County Registrar, doing a yeoman job handling that great crowd packed in the grandstand and all the comers and goers.

Joe Ketter of Hamilton, one of the greatest hockey players ever produced in the Fruit Belt, who helped Beamsville to many a hard fought win, having a whale of a time reminiscing.

Don Sinclair, son of Jim, following in the parental footsteps, the busiest man on the grounds, taking

pictures and reporting for the St. Catharines Standard.

Bagpipers playing. If Jacob Beam, founder of Beamsville knew that, there would be trouble in the settlement.

Horses. Horses. Horses. More horses than have been on the grounds in any one year in the past 30 years. Not so many race horses, but one grand bunch of show horses of every kind and description and how the public went for them. The horse is coming back, mark my words. So in Beamsville Fair, if the powers that be, will just loosen the strings around the bankroll. A fair is like any other business, you must spend money to make money.

Gordon Hannah out in the middle of the track shaking hands

with all his friends and neighbours. Thought he was back in Cayuga again.

Old Bill House around the racing stables casting a critical eye on the sulky pullers. Bill "Swiped" many a good one on Beamsville track high onto 30 years ago.

Grimsby gamblers who have bought and sold Hamilton track 40 times in the last five years, all in a huddle, making two-bit bets on best horses.

It was a swell fair. People from all directions for many miles, back home in the district, just to meet old friends and shake hands. Ned Fairbrother, for instance, all the way from Sudbury, just to see what the old village and the old friends looked like.

Pete Tallman, the village barber, leading the village band. What a sweet musical organization he has. In their new uniforms they look like a million dollars and their music is just as good. George Koonle still playing cornet after 43 years on the job. Pud Reid has

laid down the trombone and is now playing baritone. Imagine any small town band with five trombones. They have them.

That hoary old bachelor from Grimsby, "Bones", a judge of the baby show. Can you imagine such a thing. Also judge of the Dymond beauty contest. Was more at home there. 42 babies in that baby show.

In the Dymond beauty show, Miss Mary Lou McPherson of Wellandport was the winner; Vera McMinn of Grimsby was second and J. Goodman Pettigrew's step-daughter, June St. John, of Smithville, was third.

Omar Cooby, for many years a harness horse owner and driver doing the starting and general announcing. Made a good job of it too.

That turnout of the Beamsville Dairy was the cynosure of all eyes. That paint job on the wagon, that would rival the technique of any Hollywood scenic artist, was done by Mac Sigas, Grimsby.

CANADA'S VETERANS Their Post-War Opportunities

This is the first of a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get the full details save and read every advertisement.

The Future After Discharge — A MESSAGE TO RELATIVES OF THOSE IN THE ARMED FORCES

When your boys and your girls come home, when they lay aside the uniform, when they go out into the world as normal peace-loving Canadians, what lies ahead? Can they pick up their lives as civilians, where they laid them down, months or long years ago? Are there plans to help them do the things they wanted to do before the war? Will they have security? Can they continue education, or receive needed training? Will they be assisted in home owning, or to establish their own business, and will they be enabled to pick up their family life once again?

These are questions which concern all those Canadians who have loved ones in the services. They are questions which this series of advertisements is designed to answer.

OPPORTUNITY IS THE OBJECTIVE

Canada has been making plans for your boy's and your girl's return to civilian life since early in 1940. These plans are in effect and operating now. The aim is that every person who has served shall have opportunity. Thousands, already back in civilian life, have benefitted by training, by maintenance grants, by advice of departmental officials, and by the social security provisions. There is ample help for those men and women who want to help themselves.

ASSISTANCE ON DISCHARGE

When your boys and girls are discharged from the services, they will be given:

1. A clothing allowance of \$100.00 (if discharged after August 1, 1944).
2. Their pay to date of discharge.
3. One month's additional pay, if they have 183 days' continuous service, as a rehabilitation grant.
4. A railway warrant home or to the place of enlistment.

Dependents will receive:

1. Their normal dependents' allowance to date of discharge, with assigned pay.
2. An additional month's dependents' allowance, with assigned pay, if there has been 183 days' continuous service.

Your boy or girl will be allowed to retain certain items of uniform. They will be given a complete medical and dental examination and will be eligible for free needed treatment for a year after discharge. Those discharged not physically fit, in need of continuing treatment and unable to work, will have their pay and allowances of rank continued for at least a year if necessary and, if the disability is pensionable, for as long as curative treatment is beneficial. All are interviewed by Veterans' Welfare Officers and told of the re-establishment programme.

WAR SERVICE GRATUITY

On discharge, those enlisted to serve outside Canada, or those who served in the Aleutian Islands, are eligible for a war service gratuity. It provides \$7.50 for each thirty days' service in Canada and the Western Hemisphere and \$15.00 for each thirty days' service overseas or in the Aleutian Islands. For those with overseas service or with service in the Aleutian Islands, there is an additional seven days' pay and allowances for each six months of such service. Payments will be made at the end of each month in the months following discharge. Complete details of the war service gratuity will be given in a later advertisement.

RE-ESTABLISHMENT CREDIT

In addition to the war service gratuity, there is a re-establishment credit of \$7.50 for each thirty days' service in the Western Hemisphere and \$15.00 for each thirty days' service overseas. This is for things such as the purchase or repair of a home, the buying of furniture, a business, or government life insurance, and for certain other purposes which will assist your boy or your girl in becoming re-established. This credit, which is reduced by grants given for training or education, or under the Veterans' Land Act, is primarily for those who do not wish assistance under these three plans.

RETURN TO FORMER JOBS

If your boy or girl held a civilian position before enlistment, and was not engaged to replace somebody already in the forces, and if the position still exists, an "our boy or girl is capable of filling it, it is the employer's duty, under the law of Canada, to re-employ him or her in that position with seniority. Application for reinstatement must be made to the former employer within three months of discharge from the forces or from hospital.

Veterans' Welfare Officers are stationed in key centres throughout Canada. They are the friends of Ex-Service men and women. It is their duty to advise and assist all Ex-Service personnel with their re-establishment problems. If there is anything about the Rehabilitation programme which you do not understand, consult your nearest Veterans' Welfare Officer.

TRAINING AND EDUCATION

The surest way to permanent employment—the thing your boy or girl will want—is a skill to get and to hold a job. Canada's plans give opportunity to acquire needed skill either at university or in preparation for a business or industrial career. Fees are paid by the state, along with living allowances, while training or continuing education.

WHILE ILL OR UNEMPLOYED

There is protection against illness or unemployment by maintenance allowances which can be drawn against in the first eighteen months after discharge. There is also protection under the Unemployment Insurance Act for those who enter insured employment and remain in it fifteen weeks.

HOME OWNING AND FARMING

There is provision to assist city and other workers to have homes of their own, either on small acreages of land outside the high taxation area, or in town, under the National Housing Act. Full-time farmers can be given financial assistance in full-time farming, while commercial fishermen may secure financial help in getting their own homes, on small acreages of land, and in buying needed fishing equipment.

FREE TREATMENT

In the year following discharge, service men and women are eligible for free treatment, hospitalization and allowance for any condition, even if not the result of service. Pensioners are entitled to this for life for their pensioned disability.

THE POLICY ON PENSIONS

Canada's Pension Act is administered by an independent commission, all former members of the services. Any permanent disability suffered overseas, not a result of misconduct, is pensionable. Where service is in Canada only, the disability must be a result of service.

RYAN—REED

The very Rev. Peter Bryce officiated at the wedding of Margaret (Peggy) youngest daughter of Private and Mrs. Howard Reed, Toronto, formerly of Grimsby, to Private David Ryan, R. C. O. C., Kingston, son of the late Mrs. Ida Ryan, Wellington, Ont., on Saturday afternoon, in the chapel of The Metropolitan United Church.

The bride, given in marriage by her father, wore a gold wool ensemble, with black accessories and carried Talisman roses. She was attended by her sister, Mrs. Roland Aston of Collingwood, in grey wool with wine accessories and corsage of red roses, and her cousin, Miss Janet Eby, of Toronto General Hospital, who chose a brown ensemble with white accessories and carried white chrysanthemums. The best man was Mr. James Howard.

The wedding music was played by Mr. Olive S. Bean, uncle of the bride, and Mrs. Bean sang O Perfect Love during the signing of the register. The reception was held at the home of Mr. and Mrs. Bean, St. George St., which was beautifully decorated for the occasion in autumn flowers and foliage. The bride's mother received in a purple ensemble with corsage of roses, and Mrs. Bean was in black with corsage of yellow roses.

Among the guests was the bride's brother, Marshal, of the U.S. Merchant Marine, just returned from the Mediterranean. For the wedding trip the bride wore a red coat with white fox and black accessories.

Trinity Service Club

The Trinity Service Club met Tuesday afternoon, October 10th, at Trinity Hall, Mrs. Victor Cation presiding.

Eighteen members were present, and the President asked that more members turn out for future meetings.

After the summer holidays, quite a lot of business was on hand for discussion.

It is planned to hold a rummage sale Friday and Saturday, October 20th and 21st in the Terry Building, next to the Model Dairy. The committee for the sale is headed by Mrs. Lawrence Hysert. It is requested that donations be turned in by Friday, October 20th.

Mrs. William Hewson has offered her home on Main Street West for a tea and apron sale to be held on the afternoon of November 3rd. Mrs. C. D. Millard and Mrs. Earl Marsh are in charge of the aprons and Mrs. Vernon Truck convener of the tea.

Mrs. George F. Mitchell introduced the speaker for the afternoon—Miss Isabel Crawford, who was a missionary with the Kiowa Indians in Oklahoma for twenty-five years. Her talk was much enjoyed as she related many of her interesting experiences—some humorous, some tragic. She, of course, had to learn and use their sign language, and her interpretations of some of her experiences with this sign language were particularly interesting. These Indians, she declares, are poetic, artistic and extremely well-mannered. Quite timely was her description of their Thanksgiving festivities, which last three days, and are the biggest occasion of the year for these Indians.

It is hoped that Miss Crawford will speak for us again and that more members will be on hand to enjoy her wit and her ability to hold the interest of her audience.

Concluding the meeting refreshments were served by Mesdames Gladys Buckenham, Olive Terry, and Edna Farrell.

Large Attendance At Parish Supper

Congregation Of St. Andrew's Church Celebrate 150th Anniversary With Historical Meeting — Greetings From Many Sources.

The parish supper and historical meeting held by the congregation of St. Andrew's Anglican Church on Wednesday evening last in connection with the 150th anniversary of the founding of the parish, was largely attended. The rector, Rev. A. E. Brooks, presided.

Following the supper, a musical program was given with Diane and Jacqueline Sawyer, Miss Winifred Congdon and Stephen Hooper contributing.

Mayor Edric Johnson extended greetings from the municipality. Archdeacon W. F. Wallace, of Hamilton, brought greetings from the Bishop and the churches of Hamilton, and Archdeacon G. F. Scott brought greetings from the congregation of his church at Windsor. Greetings were also read from the Archbishop of Quebec and the Archbishop of Toronto.

The chief speaker was Walter McRae, who gave a historical talk on William Kirby and Capt. John Richardson, of Niagara. Miss Harriet Walsh read a paper on the history of the church, which had been prepared by Mrs. R. J. Powell. Much interest was shown in the historical exhibit. Among the guests was Mrs. F. H. Cosgrove, of Toronto, wife of the provost of Trinity College.

Brownies

The Brownies held their regular meeting on Tuesday, October 10th, with full attendance, and presented Brown Owl, Mrs. J. T. Gammon, with a pair of Devon Ware bookends. Brownie Dorothy Culp made the presentation, after Tawny Owl, Victoria Fox, had expressed on behalf of the Brownies, their thanks for fine leadership of the past three and a half years as Brown Owl, and wished her much happiness in her new home.

Brown Owl thanked the Brownies for their lovely gift, and told how she had enjoyed working with them, and hoped that they would all carry on the work they had started.

Several new Brownies registered, starting the fall and winter season.

MEN'S AND BOYS' WAYS

Father and his teen aged son will soon be able to purchase any style or colour of new felt hat. J. B. C. Forsyth, Prices Board administrator of men's and boys' furnishings, has announced the lifting of all restrictions on styles, colours, production and packaging of these hats. The "Homburg" style hat will soon return to the retailers' shelves. This was one type of hat banned by the old order. The lifting of these restrictions is in line with the Board's policy of assisting manufacturers to resume normal production as soon as materials and labor become available.

Even the depression had its good points. You didn't have to stand in the aisle to ride on a bus, train or street car.

Tracing History Of Grimsby Beach

The Historical Committee reports that evidently the first public gathering took place in the year 1846 when a mammoth temperance meeting was held in the Park on the high bank in front of the home of Samuel Russ Esq., which stood where the Lake View House was afterwards erected.

This was called a "sope" and was attended by more than two thousand delegates, who sat down at one time and feasted together, long tables being provided and bountifully spread with good things to eat.

The programme consisted of band music and speeches from the eloquent men who graced the platform, two of them belonging to the famous Ryerson family. One was Edgerton who became Chief Superintendent of Education for Ontario, and the other, his brother William, who gave the principal address of the day, holding the audience spell bound.

It has been suggested that would be appropriate to celebrate the Centennial year of the opening activities of Grimsby Beach in 1846. This would allow two years time to prepare a special programme that might be well worth while.

Killed In Action

Just as we go to press we learn that official notification was received last night by Reeve J. Goodman Pettigrew, of Smithville, that his only son Gar. Louie Pettigrew, well known Fruit Belt hockey and baseball player had been killed in action on the Western front.

Inquest Held

An inquest enquiring into the death of Wm. Bevan, killed in a crash between a motorcycle he was riding and a service truck at the intersection of No. 8 Highway and Park Road on the night of Sept. 6th, was held in the Council Chambers on Wednesday afternoon. Dr. Elmore, Coroner, presiding. After hearing all available evidence, the jury brought in a verdict of "Accidental death".

WOUNDED

Lieut. Henry Loud, son of Mrs. Caleb Loud, who was reported in last week's Independent as wounded in action

while serving with the United States Infantry in Europe, was a reserve officer in the United States forces prior to being posted to the active army two and one-half years ago, he went overseas in July of this year. In a recent letter to his mother he told of going through Luxemburg in the advance on Germany. He attended Lake Lodge School at Grimsby and graduated from Grimsby High School. He then attended University of Michigan, at Ann Arbor, entering the United States army following graduation.

Around The GRIMSBY High School

(By Janie)

Friday night's sweater hop certainly went over big, thanks to the efforts of that hard working committee. Some of the "kids" were really in the groove... so were the red heads! Those boys from 10a who write such romantic compositions got along fine too.

How did you enjoy the Veronica Lakes with no bobby pins, the Betty Grables with one trouser leg rolled up, also the Indians. For those who weren't there—there was an initiation for first formers!!

The Grimsby High School term calendar has just been made up.

Oct. 13th—Annual Field Meet.
Oct. 20th—Reception for Lower School Parents.
Oct. 31st—Annual Halloween Social.
Nov. 10th—Supper Dance.
Nov. 12th—Annual Cadet Church Parade.
Nov. 24th—Annual High School Commencement.

Dec. 4th to 8th—Term Examinations.
Dec. 22nd—Grimsby High School "At Home."
Dec. 23rd to Jan. 3rd—Christmas Vacation.

Everyone is invited to the Annual Field Meet Friday afternoon at 1:30 p.m. Sergeant Major Buldings of the Headquarters of Military District No. 1 is to be present as official referee.

All the teams have been selected for the competition groups of the season. The boys captains are: Ian Stevenson of the Lion team; Havelock Jewson of the Wildcats; Ian Marr of the Tigers and Doug Bedford of the Panthers. The girls will have to be careful with all those animals charging after them! The girls captains are Alison Jeffries; Dorothy Metcalfe; Madeline Pogacher and Esther Bain.

Have you ever noticed what goes on in G.H.S. after four? Its really amusing to see some over-worked fifth formers go trudging home heavy laden with books, then some group come hurrying out from detention. At least, it's interesting if you're not the victim!

What did you think of the darling ensemble worn by Doug Bedford and Bill Fisher at the Beamsville Fair?

Janie.

**You hold the mortgage
You collect the interest**

A Victory Bond is a mortgage on Canada... all of this country's resources guarantee payment of principal and interest. And money you lend to Canada, when you buy Victory Bonds, is the safest investment you can make.

You can borrow on Victory Bonds for seasonal farm requirements or any time. Canada needs every dollar that need cash at any time.

Money is a vital war weapon. Canada needs more than ever before. Every Canadian can save and lend... more than ever before. As the war increases in intensity, Canada's need for money increases too. Our country's all-over borrowing needs are increased by over three hundred and twenty million dollars at this time. We must each be ready to lend again, and to lend more.

Thousands of small grains make a bushel of wheat. So with the money that Canada must borrow, from Canadians, to pay for the war, small sums loaned by individuals mount up to billions. Lend all you can... money you have saved and money you can save... but do not think that small loans are unimportant. Put your savings into mortgages on Canada—marketable mortgages. You will be doing a worthwhile war job... and you will get your money back... with interest.

Victory Bonds will provide cash for farm improvements you plan to make when the war ends... new buildings... new machinery... better stock... cash to pay on a new car or a new home.

THE INDEPENDENT
a synopsis report on them.
Wilfred Morris Lawson, better known as "Dyke", was born on October 4th, 1910, the sixth of seven sons (there are three daughters) of ex-Warden, ex-Reeve John E. and Mrs. Lawson, Mountain Top, North Grimsby. He attended School 13 and Grimsby high school and then decided that he would like to be a printer. He entered the employ of The Independent then under the ownership of the late W. A. Taylor of Woodstock. That was February, 1928. Since that time he has been

continuously employed by this office and has learned the mechanical end of the business from the ground up. Is Presbyterian. Married, one daughter, Jacqueline. James Orion Livingston, just "Bones", was born and raised on Main street. Still thinks that Main street is the biggest and best street in the world. First saw the light of day in the now Dr. Sinclair home on the 17th of February, 1890. His mother had aspirations that he would be a second Sir John A. MacDonald. He let her down. Started his newspaper career at 12 years of age. Has been at it ever since. Has no regrets. Thinks it is the finest profession in the world. Has worked on weekly and daily newspapers, trade journals and magazines all over — well get a railway time table. Also put in some time as a theatrical press agent and was tangled up in the motor vehicle transportation business for a few years. Anglican. Single, can't even be approached. Mother, still living.

Vicissitudes of newspaperdom have left their mark on The Old Independent in the close to 60 years that the paper has been published, but she has always come through with flying colors. It is a far cry to the 15th day of July, 1885, when a man named Meagher with a pencil and a pad, a kitchen table and a chair, opened up for business in the old post office building that stood where the present post office now stands. Coincidental with this present deal it was just 59 years ago this week — October 15th, 1885 — that the late Jas. A. Livingston bought out Meagher's pencil and pad and installed the first type and printing press in the then Village of Grimsby. He continued to run The Independent, with the help in later years of his sons, until 1925, when all plant and paper and the then allied trade papers were sold to the late W. J. Taylor of Woodstock.

Mr. Taylor sold The Independent to Mr. Clive B. Bean of Waterloo, now of Toronto, who in turn sold to Rome L. Taylor, now of Trenton, who sold to Robert Glendinning, who in October 1942 entered the Service of His Majesty in the R.C.A.F. Upon his enlistment Mr. Livingston came in as editor and Mr. Lawson as Mechanical Superintendent. A few months later the business was incorporated into a joint stock company and from this company the present owners have purchased.

We have nothing to say regarding ourselves. The mast head of The Independent says: "More Than A Newspaper—A Community Service". We leave it to the public. If we do right, help us. If we do wrong, tell us. Thank you.

REVIEW OF HOSPITAL
rooms and services is considered to be ideal, with provision having been made for a wing which the authorities consider will become necessary with the introduction of the National Health scheme.

Contractors are at work, and good progress is recorded daily, in making the necessary alterations, bringing the Hospital nearer to the time when they can relieve to some extent the existing Hospital shortage in the city, which is summarized in the following, from a report on conditions in Hamilton:

"There is no reserve of beds at the hospital to take care of any large or serious accident that might come along."
"Perhaps the most significant item is the fact that the stay of a patient in an active bed is only 10.4 days. Patients, therefore, are moved out before their time in many cases, and yet despite this, there is a large waiting list for admission. Over 22,000 patients, one in every eight of our population, were admitted to the General Hospital last year."

While the above progress has been beyond the vision of the most hopeful, there is still a last hurdle, that of rounding up the balance of the necessary funds to complete the plan.

WENT ON MISSION
the lives and easing the task of many fighting on land in France, and they went to that work with high courage, prepared, if need be, to pay the price. You can indeed be proud of him."

The wing commander in a letter to the boy's mother said: "At approximately 10 p.m. on the night of June 12, Elvin and members of his crew took off from this air-drome to carry out bombing operations over France, but unfortunately failed to return. He and his crew were due back at approximately 2:20 a.m. the following morning, but no news has been received from the aircraft since the time of take-off. I am with regret that I have to convey to you the feelings of my entire squadron.

The loss of your son and other members of the crew is greatly felt by everyone, and he was very popular with the boys. Elvin had 122 operational hours over enemy territory, and 21 operational trips to his credit, and was an excellent air gunner.
P.O. Todd, whose commission

came through two weeks after he was reported missing, was formerly a flight sergeant.

P.O. Todd, who would have celebrated his 22nd birthday on Aug. 20th, was a well-known and popular member of Sudbury's younger set. He was a Sudbury Star carrier for a number of years and worked at Liggett's Drug Store before going to work in a defence plant at Nobel. He also worked for General Motors in St. Catharines. He was a member of the Scouts and of the Copper Cliff Cadets for a number of years.

Enlisting in September, 1942, shortly after he turned 18, he received his training at Toronto, Brantford, McGill University in Montreal, and No. 1 Air Training and Gunnery School in Quebec City. He received his air gunner's wing at Mont Joli, Que., in June 1943, and arrived overseas in July of the same year.

Born at Indianhead, Sask., he came to Sudbury at an early age. He attended Elm St. public school, and the Sudbury Mining and Technical School.

NEW RATION BOOKS

book on that day, it only means a lot of inconvenience for yourself. Ration books will not be mailed or delivered—they must be called for.

Before you go to a distributing centre, write your name and address on the front of the stub of the "K" coupon sheet in your Ration Book No. 4. The age of persons under 16 years must also be written in.

- OBITUARIES -

WILLIAM H. MILLER
Born in England 79 years ago and a resident of Hamilton since 1920, William Heddie Miller, died at the General Hospital Saturday afternoon. A member of Ryerson United Church, deceased is survived by his widow and two sisters, Mrs. Catharine Kemp and Mrs. Margaret Douglas, both of Toronto. The funeral was held Monday afternoon from the J. B. Marlatt funeral home to Queen's Lawn Cemetery, Grimsby.

The late Mr. Miller resided for some years on a small fruit farm on Murray street north.

MRS. GEORGE MORRIS
Ill for the last week, Mrs. George S. Morris, Ofield's Side Road, North Grimsby township, passed away at her home on Sunday. In her 71st year, she was born at Carleton Place, Ont., and came to Grimsby from Manitoba with her husband six years ago. She was an adherent of the United Church.

Surviving, besides her husband, are three daughters and a son, Mrs. J. F. Schooley, Toronto; Mrs. G. D. Herbert, Kelowna, B.C.; Mrs. H. H. Smith, Windsor, and G. Chester Morris, St. Benedict, Sask.; also a sister, Miss Annie Galloway, Toronto, and three brothers, Marshall Galloway, Toronto; Geo. F. Galloway, London, and Benson Galloway, in Illinois.

Funeral will be held from the Stonehouse funeral home on Friday afternoon.

JAMES A. TERRYBERRY
James A. Terryberry, a native of Clinton township, died in the Hamilton General Hospital on Tuesday, October 3rd in his 77th year. For the past 30 years he had conducted a summer resort, Brown's Bree, on the Lake of Bays. He had been seriously ill only a few days.

Surviving are his widow, five daughters, Mrs. Herbert Cornell, Sheffield; Mrs. John Ellis and Mrs. B. Hagar, Hamilton; Mrs. A. Wrey Lipsett, Grimsby, and Mrs. Thomas Webb, Clinton township; three sons, Joseph, Beamsville; Harve, Niagara Falls, N.Y., and Ross with the army in France; one sister, Mrs. Hattie Matlock, Windsor.

The funeral was held on Thursday afternoon from the Buck & Son funeral home, Beamsville, to Queen's Lawn cemetery, Grimsby.

GEORGE N. WATERBURY
One of the original employees of the former Hamilton, Grimsby and Beamsville Electric Railway, George Norval Waterbury passed away suddenly Saturday morning at his residence, 27 Beach boulevard, Hamilton, after a brief illness.

He was one of the early employees of the Hamilton Street Railway. When the National Steel Car Corporation began operations, he joined that organization as an electrician and continued with it for 29 years until his retirement in 1941.

Born in Sault Ste. Marie, he was a son of the late Henry and Magdalene (Depew) Waterbury. He had made his residence at Hamilton Beach for many years, and will be deeply mourned by his countless friends in that community and in Hamilton. He was in his 77th year.

Surviving are his widow, the former Helen Armstrong; two daughters, Mrs. E. Bruce Murdoch (Edna), of Grimsby, and Mrs. Norman S. Stewart (Evelyn), of Detroit; eight grandchildren and eight great-grandchildren.

MRS. JOHN ERB
Mrs. John Erb, a resident of South Grimsby township for over 40 years, died suddenly on Friday at the home of her daughter, Mrs. Charles Southward, Grimsby Beach.

In her 81st year, she was the former Lucinda Marie Geiger, and was born in Huron county on September 29, 1864. As a young girl she went to Waterloo and was later married there.

She and her husband came to South Grimsby township where they farmed for 41 years, retiring in 1938 and moving into Hamilton. Her husband predeceased her in 1941. She was very devoted to her home and family. In religion she was a member of the Mennonite Church.

Cubbing

1st GRIMSBY WOLF CUBS

35 cubs gathered around the Totem Pole to give the Grand Howl to Akela for the first meeting of the year in the High School Gymnasium.

Dick Tracy was presented with his Collector and Artist Proficiency Badges. In the absence of Baloo the collection of fees was attended to by Bagheera. During this period Akela tried the Pack in its many formations and found a few cubs who had not remembered the calls of the jungle. Three new cubs were welcomed and quickly found their places.

A snappy game of "Pick-up-your-feet" to test Akela's hunting call for Silence caught many young wolves napping.

Apple Day — the first for the Wolf Cubs was discussed and enthusiasm is at a very high peak for this annual event. Prizes will be given for the best decorated basket—to be brought in and judged at this week's meeting. There will also be prizes for the highest average collection and to the best salesman.

In the parade circle each boy was given a lump of Plasticine and instructed to model a sitting statue of himself. For fifteen minutes there was a hum of activity and then the finished products were placed in their correct six around a miniature totem pole and flags. Corners were added and this interesting little scene is on display in the window of the Model Dairy.

The Cubs and Scouts have as their objective, the building of a meeting place of their own, where projects may be carried on from week to week without being stored. The meeting closed with the Mouse Howl taken by Dick Tracy.

A miracle man is the one who can write a letter with a post-office pen.
